Prof. Dr. Didem Karacetin
Speciality: Radiation Oncology

EDUCATION AND TRAINING ACTIVITIES

M.D.

Trakya University Medical School, Edirne -1988

Specialist Doctor Radiation Oncology Şişli Etfal Education and Research Hospital-1998

Associate degree Faculty of pharmaceutical sciences
İstanbul University-2018

- **Graduation Thesis:**

Assistant thesis given in Şişli Etfal Education and Research Hospital:

“Retrospective evaluation of 327 breast cancer patients”

The consultant of the thesis: Oktay Incekara, M.D. Assoc. Prof.

PROFESSIONAL EXPERIENCE

- **Attending Physician,**
Başakşehir City Hospital, İstanbul, Turkey,-present
- **Fellowship, Trakya University, medical school**
- **Residency, Sisli Etfal Training and Research Hospital**
